MEMORANDUM FOR: DCI Security Committee Members

FROM:

  
Acting Chairman

SUBJECT: Community "Primary Referents" Pursuant to DCID 1/7

1. Section 6.d of DCID 1/7 tasks Intelligence Community organizations to designate "primary referents" to receive and ensure that appropriate action is taken upon inquiries from other organizations about documents bearing DCID 1/7 restrictive controls.

2. We recently prepared responses to questions from a Congressional subcommittee bearing on this subject. While we found that those Community organizations which collect intelligence have primary referents to field questions about such of their reports as bear DCID 1/7 restrictive controls, it was apparent that knowledge of these referents was not as widespread or uniform as might be desired. Accordingly, the attached summary of information on principal Intelligence Community referents is forwarded for your information and any further dissemination you may deem appropriate.
